After School Rehearsals

Percussion Ensemble & Pep Band

Safety Procedures:

- If you aren't feeling well for whatever reason, please stay home! It is for your own safety, as well as the safety of your classmates and Band Directors.
- Wear your mask when you are not playing your instrument.
- Please wash your hands frequently. Bring your own hand sanitizer if possible.
- Always bring water bottle (filled) to each rehearsal. It must go home after every practice and be cleaned! Students will not have access to water fountains. Do not leave your water bottle at school; we will have to throw it away.
- We will check temperatures for each student immediately upon arrival.
- While we hope to spend the vast majority of our small group start-ups outdoors, students should use the doors at the end of the band hall any time entrance into the school is necessary.
- Loitering or "just hanging out" on campus after rehearsal ends is strictly prohibited. Students must leave promptly when rehearsal is complete. We kindly ask that parents are prompt when picking up students.
- Due to nightly cleaning requirements at the school, the only restroom students can use will be those located in the band lobby.
- Students are not permitted in any other part of the school except rooms used for the band (band room and the band lobby).
- Please stay six feet or more from all staff members, parent volunteers and school staff at all times.
- Practice social distancing with your peers.
- Any behavior involving joking about COVID-19 or acting in a way that mimics poor health will not be tolerated.
- Do not touch anyone else's instrument or equipment at any time, for any reason.
- Band Director offices are off-limits to all students, for all reasons at all times. Knock if you need something, but please keep your distance.
- **All wind instruments (except for flutes) must have a cover over the bell. A pillowcase, t-shirt, etc. is acceptable.**

After School Rehearsals Percussion Ensemble & Pep Band

- We will allow one person at a time should in the color guard room or percussion storage rooms. Persons not in these sections should never enter them!
- Even though marching instruments for most sections and flipbooks will go home daily, please minimize any time necessary in the wind storage room. Please continue the "transactional" nature of this space started during the last school year.

If you have any questions, please contact Mr. Moon or Mr. Long. Thank you!
