Musicians Acting with Responsibility, Compassion and Hard work

What: MARCH is an all band and guard fundraiser. Our GOAL is to raise a significant amount of the operational funds for RHS band in a single workday. We are also striving to create ownership within the band student body while making a substantial impact in our community.

Why: While the county provides a portion of what is needed for the RHS band program to operate, there are substantial expenses that fall outside of what is provided. To be successful as a program, we need financial support to cover things such as clinicians, competition costs, instruments and much more.

When: Saturday, March 13th, 2021

Where: Fulton County/Roswell community locations including local charities, the Chattahoochee River, parks, schools & recreation centers
